MARBLESNSS

Rooted in the heart of Spain’s marble region, Natural Stone Spain is proudly based in Novelda, Alicante—an area globally renowned for natural stone production. With over three decades of experience, our factory reflects a legacy of craftsmanship, innovation, and quality.

At MarblesNSS, we are trusted marble manufacturers and global suppliers of premium natural stone. Our vertically integrated process ensures complete quality control—from quarry extraction in Spain to precision cutting, polishing, and global delivery.

MISSION & VISION

At Marbles NSS, our mission is to deliver premium Spanish marble with a strong commitment to quality, reliability, and customer satisfaction. Our vision is to continue supplying both national and international markets with the finest natural stone, combining exceptional service with our passion for excellence. Backed by a dedicated team and ambitious goals, we strive to be a trusted partner in the global stone industry.

MATERIALS

Marble stone is a naturally occurring, high-quality material cherished for centuries in both architecture and interior design. Known for its exceptional durability, distinctive veining, and timeless finish, marble is a favorite for flooring, countertops, walls, facades, and luxury accents. Its unique patterns and vast color range make it an ideal choice for elevating the visual appeal of residential homes and commercial spaces alike.
